\$5 beginner lessons are offered every 90 minutes, instructors will be asked to check in to the lodge 5 minutes before the lesson, talk to ticket counter, lesson desk or rental employees about possible lessons before returning to the hill to ride at 5 after the lesson start time. Paid intermediate lessons are done by appointment and given to qualified available instructors. Instructors are asked to work at least one shift per week and 2 extra shifts over the ten day holiday season. One schedule will be made for the whole season. Trading of shifts is acceptable for time off etc.

Instructors earn lift passes by performing a necessary task at the hill. It's important to show respect to customers and employees by being prompt, courteous and friendly.

Safety and fun have to be taught in our lessons and by example on the hill.
